

Listening to the Church

Listening to the Church family as we emerge from the pandemic.

We would love to hear your reflections on a few questions as we move from the height of the pandemic into a new season.

We would encourage you to reflect prayerfully on these questions and reply by 13 June. You can submit this below. You may also want to discuss your answers with others such as in your family, with friends from church or your Life Group. We will publish a summary of the results during the summer - all responses will be anonymised before being shared.

As we emerge from the pandemic and lockdown:

1) What one thing would you change about church life?

2) What do you think it might be the right time to stop doing as a church?

You can discuss with your Life Groups

You can discuss with your Youth Group

You can complete it on your own or chat with friends

**Please return it
in whichever
way you would
like to
complete it
no later than
13 June 2021**

3) What do you think we could start doing as a church?

4) What is right to continue doing as a church?

5) Feel free to offer any other brief comments

6) Might you be interested in becoming part of a new afternoon congregation in St Mary's (4pm or 5pm) starting within the next 6 months?

☐ I would be interested in exploring ☐ Not at the moment

A core team of around 10 people have already committed to this service. By ticking 'yes' you are only expressing interest. You will be invited to a meeting with the core team to explore this further. You are not committing yourself at this stage. More info to follow.
